

LLC «RDS PRO-TRADING»

Product catalog & profile

About us:

Our clients - businesses and factories in virtually all industries. We are working simultaneously on many fronts, among which are the basic metallurgy, railway, power generation, oil and gas sector, instrumentation, telecommunications and communications, wholesale trade and food production. A variety of directions and a wide range of our company allow customers to realize their projects of any complexity.

We export products Ukrainian origin. We have business agreements with major agricultural producers from all over Ukraine. Always ready for any kind contact with our new customers.

We will be glad to cooperate!

Our product list

Grain product

Product	Parameters	Packaging
<p>Barley</p> 	<p>Protein – 9-12% Moisture – till 14% Gluten– 4-5%, Fat – 7-8% Foreign matter – till 2%</p>	<p>Bulk</p>
<p>Corn</p> 	<p>Moisture – till 14%, Foreign matter – till 2% Broken – till 5% Damaged – till 5%</p>	<p>Bulk</p>

Product	Parameters	Packaging
<p>Wheat</p> 	<p><u>Feed grade</u> Protein – 10-11% Moisture – till 14% Foreign matter – till 2%</p> <p><u>2 grade (Milling)</u> Protein – 10-11% Moisture – till 14% Foreign matter – till 2%</p> <p><u>3 grade (Milling)</u> Protein – 10-11% Moisture – till 14% Foreign matter – till 2%</p>	<p>Bulk</p>
		

Oilseeds product

Product	Parameters	Packaging
<p data-bbox="188 363 427 411">Soybeans</p> 	<p data-bbox="824 363 1317 547">Protein (crude) – from 31% Moisture – till 12% Foreign matter – till 2% Fat – 18-20%</p>	<p data-bbox="1554 363 1995 499">Bulk by containers, also we can use SB, BB or liner-bag</p>
<p data-bbox="188 919 443 967">Rape seed</p> 	<p data-bbox="824 919 1234 1054">Moisture – till 10% Foreign mater – till 2% Fat – from 42%</p>	<p data-bbox="1554 919 1995 1054">Bulk by containers, also we can use SB, BB or liner-bag</p>

Product	Parameters	Packaging
<p data-bbox="190 263 555 311">Sunflower seed</p> 	<p data-bbox="824 263 1234 400">Moisture – till 12% Foreign mater – till 2% Fat – from 48%</p>	<p data-bbox="1554 263 1989 400">Bulk by containers, also we can use SB, BB or liner-bag</p>

Processed products

Product	Parameters	Packaging
<p data-bbox="190 363 421 416">Soy Cake</p> 	<p data-bbox="824 363 1330 544">Protein (crude) – from 38% Moisture – 7-10% Fiber – 6-6,5% Fat – 7-8%</p>	<p data-bbox="1554 363 1989 496">Bulk by containers, also we can use SB, BB or liner-bag</p>
<p data-bbox="190 919 409 971">Soy meal</p> 	<p data-bbox="824 919 1330 1099">Protein (crude) – from 44% Moisture – 11-12% Fiber – 5-6% Fat – 1-2%</p>	<p data-bbox="1554 919 1989 1051">Bulk by containers, also we can use SB, BB or liner-bag</p>

Product	Parameters	Packaging
<p data-bbox="190 263 504 311">Crude soy oil</p> 	<p data-bbox="824 263 1509 351">According Government standard, not degummed</p>	<p data-bbox="1554 263 1971 303">Flexi-tank by container</p>
<p data-bbox="190 853 548 901">Sunflower cake</p> 	<p data-bbox="824 845 1400 1029">Protein (crude) – from 28-30%, Moisture – 8%, Fiber – 21%, Fat – 7-8%</p>	<p data-bbox="1554 845 1993 981">Bulk by containers, also we can use SB, BB or liner-bag</p>

Product	Parameters	Packaging
<p data-bbox="190 263 555 311">Sunflower meal</p> 	<p data-bbox="819 263 1339 446">Protein (crude) – from 38%, moisture – 7-10%, fiber – 6-6,5%, fat – 7-8%</p>	<p data-bbox="1550 263 1989 399">Bulk by containers, also we can use SB, BB or liner-bag</p>
<p data-bbox="190 850 640 898">Crude sunflower oil</p> 	<p data-bbox="819 850 1413 890">According government standarts</p>	<p data-bbox="1550 850 1966 890">Flexi-tank by container</p>

Product	Parameters	Packaging
<p data-bbox="190 263 577 316">Sugar Beat Pulp</p> 	<p data-bbox="824 258 1464 300">Moisture – 5%, Saccharose – 2,1%</p>	<p data-bbox="1554 258 1989 402">Bulk by containers, also we can use SB, BB or liner-bag</p>
<p data-bbox="190 849 667 960">Brewer's grain (from barley)</p> 	<p data-bbox="824 845 1303 935">Crude protein – from 19%, Moisture – till 14%</p>	<p data-bbox="1554 845 1989 989">Bulk by containers, also we can use SB, BB or liner-bag</p>

Bottled products

Product	Parameters	Packaging
<p>Refined sunflower oil in PET packaging</p> 	<p>Color value, mg of iodine: 2-3 Acid number, mg 0.25 Peroxide value, mmol / kg $\frac{1}{2}$: max 6 Moisture and volatile substances, %: 0.03 Mass fraction of phosphorus-containing substances, %: no Steper transparency: 2 Ignition temperature, °C: 235 Fatty impurity, %: no Paraffin: none GMO. Not contain coloring agents, flavoring agents, and forming the froth.</p>	<p>1L bottle, 3L bottle, 5L bottle. Container 40"</p>
<p>Refined corn oil in PET packaging</p> 	<p>According to the standards of Ukraine</p>	<p>1L bottle, 3L bottle, 5L bottle. Container 40"</p>

Flour products

Product	Parameters	Packaging
<p data-bbox="188 387 712 432">Wheat Flour Extra Grade</p> 	<p data-bbox="826 387 1451 475">According to standards of Ukraine DSTU 46.004-99</p>	<p data-bbox="1563 387 1973 523">PP bags 50kg,25kg or customers required Container 20"</p>
<p data-bbox="188 994 577 1038">Light wheat flour</p> 	<p data-bbox="826 994 1518 1082">According to the standards of Ukraine DSTU 46.004-99</p>	<p data-bbox="1563 994 1973 1129">PP bags 50kg,25kg or customers required Container 20"</p>

Product	Parameters	Packaging
<p>Soya flour extruded finely dispersed skimmed 160 microns</p> 	<p>Exchange energy, kcal .: 250 Protein,% 45 Fat%: 2 Cellulose,%: 7 Humidity,%: 7</p>	<p>PP bags 50kg,25kg or customers requied Container 20"</p>
<p>Corn flour 101, 108</p> 	<p>According to standards of Ukraine GOST 14176-69</p>	<p>PP bags 50kg,25kg or customers requied Container 20"</p>

Sugar and derivatives

Product	Parameters	Packaging
<p>Beet bin sugar</p> 	<p>Mass fraction of sucrose (in terms of dry matter),%, not less than 99.75 Mass fraction of reducing substance (in terms of dry. Substance),%, not more than 0.050 Ash content (on dry basis),%, not more than 0.04 Optical density units (units ISIMSA) 104 Moisture content,%, not more than 0.14</p>	<p>PP bags 50kg,25kg or customers required Container 20"</p>
<p>Gelatin</p> 	<p>Composition: Gelatin (P-11) Energy value of 100g: 300 Kcal Nutritional value per 100 g of product: proteins - 87.2, carbohydrates - 0.7 fats - 0.4 Storage: Store at temperatures not exceeding 25 ° C and a relative humidity of 75%. Shelf life: 1 year from date of manufacture</p>	<p>25g or customers required Container 20"</p>

Milk product

Product	Parameters	Packaging
<p>WHOLE MILK POWDER (WMP) 25 % Fat</p> 	<p>Manufactured from fresh pasteurised milk by spray drying. 100 % cow milk. Physical/chemical properties:</p> <p>Fat, % 25,0 min Protein, % 24,0 – 26,0 Moisture, % 3,0 – 3,6 Acidity, OT 17 - 19 Scorched particles Disk A Solubility index max. 0,2 ml</p>	<p>Paper bags 25kg or customers required Container 20"</p>
<p>SKIMMED MILK POWDER (SMP) 1,5 % Fat</p> 	<p>Manufactured from fresh pasteurised skimmed milk by spray drying. 100 % cow milk.</p> <p>Fat, % 1,0 (max 1,5) Protein, % 32,0 – 34,0 Moisture, % 3,0 – 3,6 Acidity, T 17 - 19 Scorched particles Disk A Solubility index max. 0,2 ml</p>	<p>Paper bags 25kg Container 20"</p>

Eggs product

Product	Parameters	Packaging
<p data-bbox="190 387 640 435">Eggs canteens brown</p> 	<p data-bbox="826 387 1523 770">Eggs have a high content of vitamins and trace elements at the expense of feeding poultry feed natural origin with a special recipe without preservatives and colorings. These differences are achieved by adjusting the feed enriched grain, corn, vitamins and trace elements.</p>	<p data-bbox="1568 387 2038 480">Truck 82 m3 (750 boxes - 270,000 eggs)</p>
<p data-bbox="203 970 636 1018">Eggs canteens white</p> 	<p data-bbox="826 970 1523 1353">Eggs have a high content of vitamins and trace elements at the expense of feeding poultry feed natural origin with a special recipe without preservatives and colorings. These differences are achieved by adjusting the feed enriched grain, corn, vitamins and trace elements.</p>	<p data-bbox="1568 970 2038 1062">Truck 82 m3 (750 boxes - 270,000 eggs)</p>

Groats

Product	Parameters	Packaging
<p data-bbox="188 379 685 427">Corn grits fine "EXTRA"</p> 	<p data-bbox="826 379 1435 916">Humidity less than 14%; The ash content of not more than 0.95% Trash admixture 0.3% including 0.05% mineral harmful not allowed Pass sieve, Ø 2 mm. 100% Infestation is missing Metallomagnetic admixture of not more than 3 mg per 1 kg The embryo is not more than 1%</p>	<p data-bbox="1561 379 2049 568">Polypropylene bags of 25 kg., With details on the application of a printing method or a bag without it.</p>
<p data-bbox="188 949 775 1050">Corn grits sanded number 5 (fines)</p> 	<p data-bbox="826 949 1435 1481">Humidity less than 14%; The ash content of not more than 0.95% Trash admixture 0.3% including 0.05% mineral harmful not allowed Pass sieve, Ø 2 mm. 100% Infestation is missing Metallomagnetic admixture of not more than 3 mg per 1 kg The embryo is not more than 1%</p>	<p data-bbox="1561 949 2049 1137">Polypropylene bags of 25 kg., With details on the application of a printing method or a bag without it</p>

Product	Parameters	Packaging
<p>Peas polished WHOLE</p> 	<p>Colour yellow Humidity is not more than 15%; Trash admixture of 0.4%; including 0.05% mineral harmful not allowed Corroded seeds no more than 0.5% Unpolished seeds no more than 3.0% Crushed pea not more than 0.1% Infestation is missing Chaff and muchel not allowed Metallomagnetic admixture of not more than 3 mg per 1 kg</p>	<p>Polypropylene bags of 25 kg., With details on the application of a printing method or a bag without it</p>
<p>YELLOW PEAS halves grind</p> 	<p>Colour yellow Humidity of not more than 15%; Trash admixture of 0.4%; including 0.05% mineral harmful not allowed Corroded seeds no more than 1% Unpolished seeds no more than 0.8% Crushed peas no more than 1% Infestation is missing Chaff and muchel not allowed Metallomagnetic admixture of not more than 3 mg per 1 kg</p>	<p>Polypropylene bags of 25 kg., With details on the application of a printing method or a bag without it</p>

Product	Parameters	Packaging
<p data-bbox="188 260 398 300">Corn bran</p> 	<p data-bbox="824 260 1509 794"> Color light yellow with shades Humidity of not more than 15%; The ash content of not greater than 1.00% Protein based on Suhe substance, 10-11% Fat based on Suhe substance 3.5-4% Kletchaka Suhe based on substance 3% Starch based on Suhe substance 67-70% </p>	<p data-bbox="1554 260 2047 451"> Polypropylene bags of 40 kg., With details on the application of a printing method or a bag without it. </p>
<p data-bbox="188 850 465 890">Wheat bran</p> 	<p data-bbox="824 850 1442 930"> According to standards of Ukraine DSTU 3016-95 </p>	<p data-bbox="1554 850 2047 1034"> Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it </p>

Product	Parameters	Packaging
<p>Semolina</p> 	<p>According to standards of Ukraine GOST 7022-97</p>	<p>Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it.</p>
<p>Oat groats</p> 	<p>According to standards of Ukraine GOST 3034-75</p>	<p>Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it</p>

Product	Parameters	Packaging
<p data-bbox="188 260 465 300">Wheat starch</p> 	<p data-bbox="824 260 1509 547">Moisture content,%, not more than 14 Mass fraction of total ash, based on dry matter,%, not exceeding 0,20 The acidity of not more than 20 Mass fraction of protein based on dry matter,%, not more than 0.3</p>	<p data-bbox="1554 260 2047 451">Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it.</p>
<p data-bbox="188 850 277 890">Oat</p> 	<p data-bbox="824 850 1509 986">GOST 3034-75 Stab cores - not more than 0.5% Not peeled grain - no more than 0.4%</p>	<p data-bbox="1554 850 2047 1034">Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it</p>

Product	Parameters	Packaging
<p data-bbox="188 260 629 360">Foodmixture for farm animals</p> 	<p data-bbox="819 260 1480 395">Product is produced according customers specifications in granular form</p>	<p data-bbox="1547 260 2040 451">Polypropylene bags of 50 kg., With details on the application of a printing method or a bag without it.</p>
